

Pre-Calculus: Review for Semester Exam – 2014-2015

In your notebook, on clean paper, redo each test we have taken, in its entirety. The tests we have taken for the first semester are:

1.1 – 1.2	2.5 – 2.6
1.3 – 1.5	2.7 – 2.8
2.1 – 2.4	3.1 – 3.2

**** Section 3.3 will also be on the final****

Exam questions were written directly from your test questions. It is obviously to your advantage to know how to do all of those items. We will spend class time on this review in January. Feel free to start any time. The sooner you start, the less you'll need to do later.
